

SATURDAY, NOV. 4, 1882.

## THIS DAY'S DOINGS.

**MORNING.**  
At 10 o'clock, meeting of Freeholders and others interested in water rights at Kalihi.  
At 11 o'clock, Underwriters' sale, by Mr. Adams, at steamers' wharf.

**AFTERNOON.**  
Concert at Emma Square, at 4:30.  
**EVENING.**  
Bethel, Gospel Temperance Meeting, 7:30.

**TO-MORROW.**  
Bethel: Rev. Dr. Damon, morning.  
Fort St. Church: Rev. J. A. Cruzan, morning and evening.  
St. Andrew's Cathedral: Rev. S. Wallace, morning and evening.

**A HINT.**  
We have received a letter on temperance subjects, which we feel inclined to publish, but it is anonymous.

We would wish to say again that we cannot print unsigned letters or notices unless we know who is responsible for them. We do not ask for the signature for publication, but simply as a guarantee of good faith on the writer's part. If a man has the courage to write to us he ought not to be ashamed that we shall know who he is.

**SHEEP-DOG WANTED.**  
Yesterday morning we watched from our office door the abortive efforts made to drive a small flock of sheep along Queen street. Whenever the flock came to Fort street it would break away from the control of its drivers and go up or down. We counted about ten trials made to cross this section. When we called up our memories of similar occasions in Australia, where one mounted bushman and a good colley dog will drive over 1,000 sheep through the most crowded streets, and the same force will take 10,000 about from place to place in the country, it seems astonishing that about a dozen men couldn't do better here with so small a flock. The remedy, however, is to be found in the heading of our article. Get a few good well trained Australian collies and you could drive single-handed the largest flock in the islands.

**A PRESENTATION.**  
Yesterday morning Mrs. C. T. Gulick was presented by Mr. R. Lewers on behalf of the Fire Department, with a framed specimen of beautiful penmanship in the form of an address. It is headed with the words "Hall of the Honolulu Fire Department," surrounding a wreath enclosing a fireman's helmet, hose and trumpet. The document reads as follows:

Dear Madam:—By direction of the Board of Representatives of the Honolulu Fire Department, it becomes our agreeable duty to acknowledge receipt of your note of the 5th inst., which was read at our stated meeting held last evening, together with the accompanying Bible Cover, and to communicate to you the unanimous thanks of the Board for the beautiful piece of your handiwork. "Assuring you of the kindest regard and best wishes of the members of the Board for yourself, we beg to remain, Madam,

Your obedient servants,  
Geo. Lucas, Chief Eng'r.  
L. S. J. Nott, 1st Ass't  
R. Lewers, 2d Ass't  
Honolulu, Jan. 6th, 1882."

The work was executed in San Francisco under the direction of Mr. Geo. Lucas, and is one of the finest specimens of penmanship to be seen here."

**POLICE COURT.**  
The native who stole the tin of beef from the auction rooms got 1 month. A small list of cases was quickly disposed of.

**SHIPPING NOTES.**  
The British steamer Strathairly arrived at Barcelona, on Oct. 17th.

There is a new Chinese restaurant started, which is already patronized by our *bon ton*. Just see them string along the street.

## EMMA SQUARE CONCERT.

Overture—Struggle for Fortune, new.....Suppe

\*Song & Chorus—Hands all Round, new.....Amateur

(B—Little Flatterer, new.....Ellenberg  
Waltz—For Thee.....Waldteufel

**\*HANDS ALL ROUND.**  
First pledge our Queen, my friends, and then  
A health to England every guest,  
The best will serve the race of men  
Who loves his native country best,  
May freedom's oak for ever last,  
With larger life, from day to day:  
He lives the present and the past,  
Who lops the moulder'd branch away.

**CHORUS.**  
Hands all round! God the traitor's confound!  
To the great cause of freedom drink, my friends,  
And the great name of England round and round.

To all the loyal hearts who long  
To keep our English empire whole,  
To all our noble sons the strong  
New England of the Southern Pole:  
To England under Indian skies,  
To those dark millions of her realm;  
To Canada whom we love to prize,  
Whatever statesman hold the helm.

**CHORUS.**  
Hands all round! &c.  
To all our statesmen so they be  
True leaders of the land's desire,  
To both our houses, may they see,  
Beyond the Borough and the Shire,  
We sail'd wherever ship could sail,  
We founded many a mighty state,  
Pray God our greatness may not fail,  
Through craven fears of being great.

**CHORUS.**  
Hands all round! &c.

**LOCAL AND GENERAL ITEMS.**  
A fog spread over the town yesterday afternoon.

Mr W. WILLIAMS' new yacht will be launched this morning at high tide.

The mail for San Francisco, per Consuelo, closes at the Post Office at 1 p.m. this day.

The Niagara was rolling heavily yesterday. At this rate she will soon go to pieces.

By a slip of the pen we yesterday wrote that the Iolani was going to San Francisco instead of Manilla.

At Fort street Church, at the usual hours, services conducted by the Pastor. "Amusements" will be the subject of the evening sermon.

The tramway on Beretania street is causing grave fears of accidents to carriages. Why not shift it to a street with less traffic on it.

Messrs. Bolles & Co. have just received, per Madras, direct from Manilla, some of the finest cigars we have ever smoked.

GREAT excitement was caused on Thursday afternoon by the running away of five mules from the Esplanade. They were followed by a numerous crowd.

ALTHOUGH the Waxworks have gone, Lewers & Cooke have now on view a number of weather vanes with all sorts of figures, birds, arrows, horses, heading them.

It is reported that owing to the inefficiency of the Tax Assessors and the head of the Department, the assessments on all the islands are much lower for this year than on previous years.

THE Kalakaua which arrived a few days ago, brought down ten fine bred stock of horses to Mr. James Dod, expressly for his livery business. They are a No. 1 stock, but not for sale.

YESTERDAY the lamp-post at the corner of Beretania and Emma sts. was knocked down and smashed by a runaway carriage. The carriage was turned up side down and the top smashed. Nobody injured but the lamp-post is a total wreck.

THE regular meeting of the Geo. W. De Long Post of the G.A.R. will be held on Nov. 13th instead of Dec. 18th, as announced. All members are requested to cut this out and paste it in a conspicuous place.

THAT pile of bricks on the sidewalk in front of the Y. M. C. A. building ought to be attended to. Some of the bricks low down have

been pulled out, so that parts of the pile are in danger of falling on some passing child. We do not discuss the question of narrowing still more an already narrow sidewalk.

Mr. Riemenschneider's case will be heard again to-day before Chief Justice Judd.

We hear that Mr. Clarence Macfarlane's well-known horse General Garfield is to run in the Races of the Pacific Blood Horse Association on Nov. 11th, 15th, and 18th. We heartily wish him success.

The howl of the merchant's crew stood up yesterday morning to fend the boat as she was coming to the wharf. He fell gracefully overboard and lost a hat and boot. His companions cheered him as they fished him out.

At McNerny's we noticed yesterday some new goods being opened. Ladies' silk stockings direct from London, at half the price charged on the Coast for the same articles; Gentlemen's ties for the Coronation in satin and silk, all sorts of Gorham silverware for Christmas presents, and a neat card announcing the presence of Lawn Tennis waists, which are simply a new edition of the old style of dress called jumpers.

We noticed an instance of Japanese ingenuity in Mr. A. L. Smith's, Fort street. It is a model of a two-story house, made entirely from paper and card-board, with verandahs, steps, balustrades, venetian blinds, doors and windows open, &c. It reflects great credit on the ingenuity of the artist to make so much out of such poor materials.

Ex Zealandia, Gents fine Tweed Suits, at Chas. J. Fishel's.
